Dear Friend,

It's time to renew your 2011 membership to **Colorado Families for Hands & Voices**. Please take a moment now to return your donation in order to help us continue to develop and disseminate resources designed to give families unbiased information for their children who are deaf or hard-of-hearing. These resources include printed materials, such as the Colorado Resource Guide and our quarterly newspaper, the Hands & Voices Communicator; advocacy support; parent-to-parent networking; a website; workshops and other special events.

Your annual contribution helps make these resources available, and we are grateful for your support. We hope you will take this opportunity to renew your membership with CO Hands & Voices today. If you have already sent in your 2011 membership, we thank you!
